## INTRODUCTION

Hire Hub International Human Resource Consultancy is a duly registered company with the Ministry of Labor in Abu Dhabi that help clients solve unique recruitment challenges and aid prospects find the best job agencies in Dubai and Abu Dhabi.

In support of Abu Dhabi's 2030 Vision, Hire Hub International Human Resource Consultancy has been indispensable when it comes to its contribution towards Emiratization efforts, thanks to its staff outsourcing services.

At Hire Hub International Human Resource Consultancy, we aim to engage in the placement of competent, skilled, and professional workers to companies in Abu Dhabi and beyond by matching them with the appropriate companies or businesses that need their services.

We help job seekers reach their desired jobs by providing them with updated job openings, and detailed procedures to get hired. Unlike other recruitment agencies in Abu Dhabi, we ensure that we build a bridge between the employee and the employer.

## ABOUT US

Hire Hub International Human Resource Consultancy Employment Services is recognized as one of the largest market leaders for employees' recruitment and outsourcing.

Hire Hub International Human Resource Consultancy serves a diverse range of government and private organizations and has developed a broad portfolio of capabilities to successfully address recruitment challenges.

### Our History

Since 2015, Hire Hub International Human Resource Consultancy has outsourced over 3000+ staff to various leading clients in UAE. Presently, the employment services company hires over 2000 contractors and direct hires.

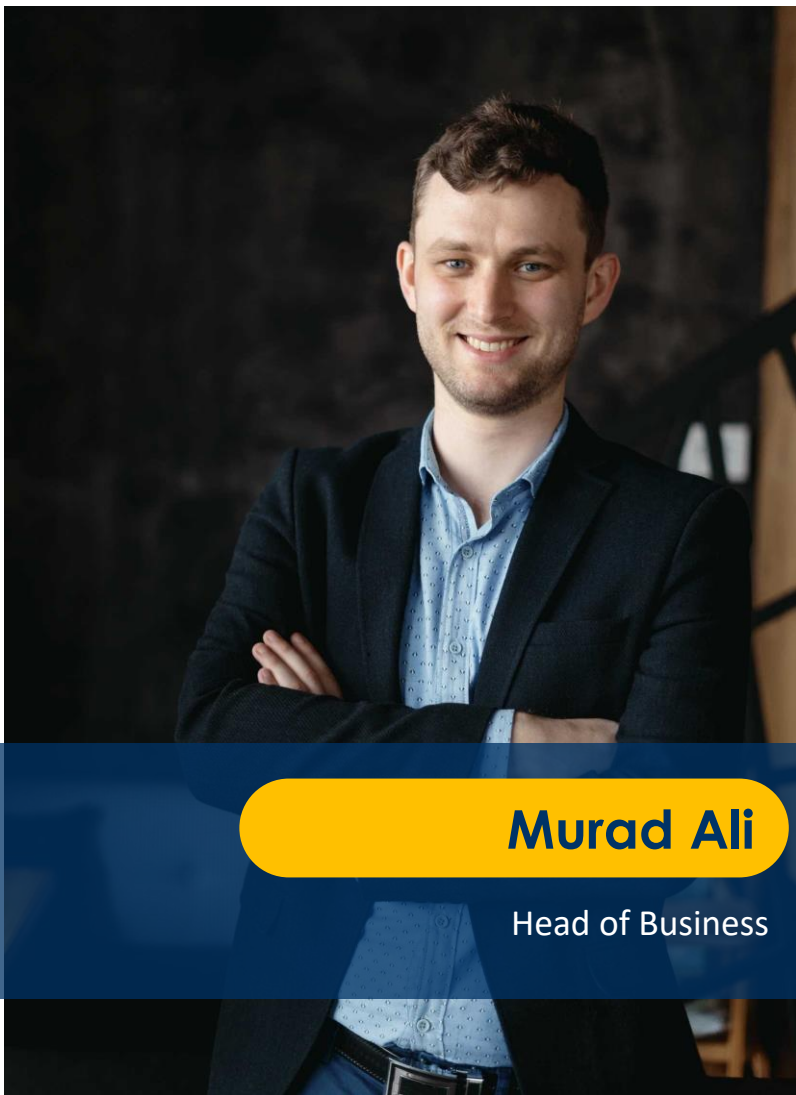

## Local Expertise

As a registered and approved outsourcing agency by the Ministry of Labor, Hire Hub International Human Resource Consultancy has an open quota for visas resulting in faster candidates' mobilization which eliminates recruitment burden and allows companies to concentrate on their core business.

## Added Value

Hire Hub International Human Resource Consultancy searches, identifies, recruits and hires employees directly on its payroll and subsequently outsources them to its clients, thereby reducing a significant burden of the HR process for its clients.
